Specialist Seating Solutions
a prismhealthcare company

The Haven is a healthcare rise recliner with unique air pressure cushioning in the lower backrest, seat cushion and leg rest all aimed at delivering significant pressure management. The air cushions work constantly to evenly distribute the user's weight ensuring that there are no pressure points that might restrict circulation. An ideal chair for any healthcare environment, it comes in three sizes.

Featured fabrics: Outside arms and wings in Manilla Rosette
Inside arms, wings and inner in blue vapour permeable
multi-way stretch fabric.
